

Department of Microbiology

The department application submitted on 15.12.2017 for accreditation of Mycobacteriology services of Department of Microbiology by National Accreditation Board for Testing and Calibration Laboratories (NABL).

NABL carried out final assessment on 15th & 16th September 2018. The team of Assessors consists of Dr. Vikas Gautam – Lead Assessor, Dr. Suryasnata Das – Technical Assessor and Dr. Smita Sarma – Observer.

The Assessors carried out final assessment and submitted the final report as required to NABL for further necessary action. Department of Microbiology is taking further necessary steps as required to fulfill the criteria for accreditation.
